

JENN

Oh my god, he's into SWS, the other guy, Max Doze, they call him.

BRAD

What is SWS?

JENN

He skipped REM, how do you skip REM, right into deep sleep, without the REM.

BRAD

Is that good?

JENN

Depends how the judges score it. I did not see that coming.

BRAD

Hopefully *they're* not sleeping, right?

She gives him a look; not funny.

BRAD

So he's catching up with the other guy?

JENN

He's definitely making a move.

BRAD

So it's getting interesting?

JENN

Really?

BRAD

What?

JENN

You're getting into it?

BRAD

I don't know.

JENN

You don't know?

BRAD

I guess so.
